Calculation and Explanation

Unformatted Statement

Step Up for Mental Health requests penalty abatement under Sec 6652(c). This is the first year that the organization had gross receipts over \$50,000 and the first time that a Form 990EZ was required. The officers of the organization were unaware of the electronic filing requirement for Form 990EZ. The officers attempted to utilize online filing methods for the Form 990EZ and drafts were created prior to the due date, but since this was their first Form 990EZ filing, they thought it best to seek professional guidance to ensure that everything was done correctly. The officers could not retain a tax professional with the adequate experience at a reasonable price until after the deadline.
